

Villages in Time Guided Walks

Terms and conditions

All walks are subject to cancellation without notice. This is normally because of the weather or emergency duties with the ambulance service. Nothing in our advertising of walks should be seen as a contract.

Payment for the walk is normally taken at the end of the walk. Payment in advance is welcome.

The full fee for a village walk is £18 and that pays for up to two adults.

Children under 13 are free on the walks, subject to one child accompanying one paying adult. In the event that there are more than one child with each paying adult, the additional children will be subject to a fee of £3 per additional child.

Each participating adult is responsible for their own safety, and shall take care to cross roads and walk safely, taking note of the advice of the guide accompanying them.

Where children or animals are on the walk, they remain the responsibility of the accompanying adult. Dogs should be on and remain on a lead at all times.

Participants shall follow the advice of the guide at all times. In the event that any participant fails to follow advice or a reasonable direction of the guide, Villages in Time has the right to ask them to leave the walk forthwith.
