

## **Villages in Time Guided Walks**

### **Terms and Conditions**

All walks are subject to cancellation without notice. This is usually due to weather conditions, but may also be subject to other events such as emergencies which occur at short or with no notice. Nothing in our advertising should be seen as constituting a contract for a particular tour at a particular time.

At this time, payment is normally to be made prior to the walk commencing. This may be made by bank transfer directly to our bank, but if it is preferred an invoice will be generated. This requires one of the participants to provide details such as name and full address. Exceptionally, by prior arrangement, payment may be made by cash, but this is not the normal way.

The full fee for a village walk with up to two adults is £25. Additional adult participants in the same party are charged £12 per person. Children under 13 may come free (up to one free child with each paying adult).

Each adult is responsible for their own safety during the walk. Wearing sensible shoes and protective clothing is required. Where hazards are known and pointed out, please ensure that the advice of the guide is listened to and taken.

Where children or animals are taken on the walk, they are at all times the responsibility of the parent or owner. Dogs shall remain on a lead at all times and be in complete control.

Participants shall follow the advice of the guide at all times. If at any point a participant fails to follow advice, they may be asked to leave the tour or it may be terminated early without refund in either case.

At a time of the Covid-19 pandemic, specific Covid-19 T&Cs apply. Please ensure that you are familiar with and comfortable with them. They are available separately on the website.
